Hazelburn 10 year old

46%

This expression from Springbank Distillery is taking over from its highly regarded 12 year old sibling. It is unpeated, distilled three times, and matured in bourbon casks. It is non-chill filtered. The nose is gently floral, with pears, toffee, and soft oak, then emerging herbal tobacco notes. The palate is full and slightly oily, with cream, orchard fruits, cinnamon, and sea salt. The finish is long, with vanilla and cocoa powder.
