

**William Larue Weller 12 year old**

**61%**

Keeping in the Weller tradition, this one is a wheated bourbon. Some wheated bourbons, although easy to drink, can taste a bit too sweet without the spicy rye notes in there. The better ones are often aged a little longer and/or bottled at higher strengths, where the wood and alcohol accompany the sweetness. You'll find soothingly rich toffee, caramel fudge, dates, and nougat brightened up by berried fruit, and a hint of dusty corn. Gently sweet finish.
