

**Wild Turkey American
Spirit 15 year old
50%**

A clean, well-rounded bourbon packed with flavor. Deep amber, with tinges of gold. Rich, silky aromas, with thickly textured, seamless flavors on the palate. Incredibly smooth, too, with interwoven notes of toffee, molasses, creamy vanilla, and candy corn. Underlying lush fruit, cinnamon, and fresh mint -- especially on the finish -- round everything out. Some of the previous "extra matured" Wild Turkey whiskeys have occasionally shown their age on the finish, being a little heavy on the oak. Not this one. Nicely done.

—Vol. 17, #1
