

Inverleven

**Chivas Brothers, Deoch an
Doras bottling, 36 year old,
48.5%**

This veteran Lowland Inverleven —
distilled within the now
decommissioned Dumbarton grain
distillery complex — is a recent
addition to Chivas Brothers' Cask
Strength Edition series, and is
exclusively available at distillery
visitor centers and from
www.maltwhiskydistilleries.com.
The nose is creamy, gentle, and
sweet, with vanilla, rum raisin ice
cream, and a subtle, contrasting
peppery note. Mouth-coating, with
citrus fruits and slowly developing
dark chocolate, which lingers
through the long and gingery
finish. (500 bottles). Currently not
available in the U.S. £275
