

Inverleven

Chivas Brothers, Deoch an Doras bottling, 36 year old, 48.5%

This veteran Lowland Inverleven — distilled within the now decommissioned Dumbarton grain distillery complex — is a recent addition to Chivas Brothers' Cask Strength Edition series, and is exclusively available at distillery visitor centers and from www.maltwhiskydistilleries.com. The nose is creamy, gentle, and sweet, with vanilla, rum raisin ice cream, and a subtle, contrasting peppery note. Mouth-coating, with citrus fruits and slowly developing dark chocolate, which lingers through the long and gingery finish. (500 bottles). Currently not available in the U.S. £275

—Vol. 20, #2
