

Glen Grant 25 year old 
43%

Glen Grant's new(ish) owner Campari is putting its money where its mouth is. Investment in plant, wood, and an impressive visitor center is slowly being backed up with a series of new releases. This venerable example comes from Gordon & MacPhail's stocks, but is an official bottling due out in time for Christmas. This is GG in relaxed, avuncular mode: subtle woods, amber, Oolong tea, anise. The palate is old apple, fresh plum, cream, and ginger spiciness. £255(Available at the distillery, in France, and Travel Retail in Asia only.)
