

Benromach 30 year old

43%

We had some new Benromachs from Gordon & MacPhail last issue that illustrated what the firm has been up to since it purchased the site in 1992. This release comes from its previous incarnation as part of DCL. The elegant, mature nose shows an 'Old Speyside' light smokiness alongside barley, cacao, cigar humidor, and potpourri. The palate is gentle and unctuous with some sherried touches, while the smoke reruns on the very end. £150 (Not available in the U.S.)

—Vol. 20, #3
