

Longmorn 16 year old

48%

Longmorn may be slightly better known, but it's still pretty much a cult whisky — with a huge following in Japan, where every whisky bar seems to have multiple expressions. This bottling shows it in its lushest guise, with masses of caramelized soft fruits, banana, cream toffee, and chocolate. The palate shifts between raisin and plum. Elegant.

—Vol. 20, #3
