

**Singleton of Glendullan**  
**12 year old**

**40%**

The U.S. Singleton comes from Glendullan, a distillery that makes a sweet, light spirit. Here, a percentage has been aged in ex-sherry casks, which has added a layer of fruity sweetness — think port-like sloe notes, Muscatel, and wisteria. The wood is lightly handled, allowing the aromas full rein on the palate.
