

Springbank 11 year old 

58%

Finished in a rum cask. Gently sweet (caramel, vanilla cream, kiss of honey), with balancing fruit (lime, kiwi, green grape) and spice (white pepper, brine). Youthful (but not immature). Invigorating briny finish. I don't know what kind of rum cask was used, but it comes across more like sugar cane juice-based rum agricole than the molasses-based rums. Very nice! (A Park Avenue Liquor exclusive.)
