

Edradour 10 year old

40%

Edradour, in Perthshire, is owned by independent bottler Signatory, who has released a wide variety of expressions during the past few years. However, the standard 12 year old remains a classic of its kind. Cider apples, malt, almonds, vanilla, and honey on the nose, along with a hint of smoke and sherry. The palate is creamy and malty, with a persistent nuttiness and quite pronounced sherry, plus a touch of leather. Spices and sherry dominate the medium to long finish.
