

### **Wemyss Malts Vanilla Summer Single Cask** **46%**

The latest batch of single cask releases from Wemyss Malts includes Vanilla Summer. It is an unspecified Highland single malt, distilled in 1997, and the bourbon cask in which it was matured has yielded 263 bottles. Vanilla, buttercups, and violets on the nose, developing Bramley apples with peaches and cream.

Background of mildly spicy malt. Sweet and floral on the palate, with tropical fruits, fudge, and ginger. Slowly drying with benevolent oak, but ultimately a lingering creaminess. £50 (Not available in the U.S.)
