

Tomatin Decades

46%

This bottling celebrates distillery manager Douglas Campbell's 50 years of service at Tomatin, and includes casks from 1967, 1976, 1984, and 1990, along with a peated Tomatin from 2005. The nose is initially slightly musty, with faint peat smoke, sweetening to mild vanilla, with new leather and peaches in time. Full-bodied, relatively dry on the palate, with the European oak casks in the ascendancy here. Raisins, dark chocolate, and licorice. Medium to long in the finish, drying, with spicy oak.

—Vol. 20, #3
