

Auchentoshan Bourbon
Matured 1975

46.9%

The latest triple distilled bottling from the Lowland distillery of Auchentoshan has been matured for 35 years in bourbon casks and is presented non-chill filtered and at cask strength. Just 500 bottles are available globally. Apple crumble and custard on the nose, with developing cereal notes. Smooth and enticing. Spice, fresh fruits, honey, and marzipan on the buttery palate, which ultimately becomes drier. The finish is long and discreetly drying, with spices, malted barley, and a citrus tang in the tail. Price is approximate.
