

Compass Box Great King Street Artist's Blend

43%

After a series of esoteric and expensive releases, Compass Box has decided to bring it all back to the people with a blend — and how! The journey sets out as we might expect; all sweet vanilla ice cream, stewed pear tart, and peach melba, but then a wave of spice and white pepper provides an unexpected but delightful twist.

It's like Spice Tree meets Hedonism...Spiconism if you like.
