	After a series of esoteric and expensive releases, Compass Box	
	has decided to bring it all back to	
	the people with a blend — and	
	how! The journey sets out as we	
	might expect; all sweet vanilla ice	
	cream, stewed pear tart, and peach melba, but then a wave of	
	spice and white pepper provides	
	an unexpected but delightful twist	
	It's like Spice Tree meets	
	HedonismSpiconism if you like.
