

Jefferson's Very Small Batch Bourbon

41.15%

The whiskey's formula has been improved, and now consists of a higher percentage of older whiskies (into the high teens) than the original release (which I rated 81). Nicely balanced, with candied fruit, blackberry jam, soft vanilla, kettle corn, and a kiss of mint.

Pleasant, unpretentious, and uncomplicated.

—Vol. 20, #3
