

Jefferson's Straight Rye Whiskey 10 year old

47%

A 100% straight rye from Canada. This is curiously similar to (and more affordable than) WhistlePig rye, which is also a 100% rye, 10 year old Canadian whisky, but at a slightly higher 50% ABV. (Neither whiskey identifies its origin.) It oozes spice (mint, cinnamon, hint of nutmeg) balanced by layers of sweetness (honeyed vanilla, caramel), with nutty toffee emerging on the finish.
