

**Catoctin Creek Mosby's
Spirit**

40%

Made from 100% rye, and USDA certified organic. Very hot for 40%; herbal nose, very green with rye. Much smoother on the palate, and very quick. There's a fast shot of rye mint up front, some grassiness, and a sharp flick of heat...and then it vanishes, leaving only a fading flinty-sweet afternote. Clean, but not a lot of substance.
