

Old Hobart Overeem Port Cask

55%

This is matured in 100 liter casks, and the port is all over the youthful spirit. But while the combination leaves a lot to be desired, and there are all sorts of youthful errors on show, the fruity, rich, and creamy core of this malt suggests that we're looking at the stirring of a giant. Bottled this fall at 4 years, this is a holding tank.

What follows will be immense.

AUD180 (Not available in the U.S.)

—Vol. 20, #3
