

The Dalmore Distillery Exclusive 1991

59%

Staff members at Dalmore selected this distillery-exclusive bottling, which has been drawn from American white oak cask number 446, and bottled at cask strength. The out-turn comprises 450 bottles. Refined, polished oak on the nose. Honey, marzipan, caramel, and vanilla. Fragrant, with old leather and over-ripe oranges when water is added. Warm leather, apricots, orange marmalade, cocoa powder, and developing spice on the palate. A long, spicy, citric finish. Finally, licorice. £150

—Vol. 20, #4
