

Balblair 2000

43%

The 2000 vintage of Balblair is intended to replace the well-regarded 1997 variant. Matured in first-fill American oak, this very drinkable expression represents good value for the money. A pretty peach and pineapple nose, with coconut and honeyed vanilla. Toasted marshmallows with time. Relatively light-bodied, sweet, with lively spice, ginger, and youthful oak on the relatively complex palate. Fudge in the finish, and a contrasting hint of dark chocolate at the last.

—Vol. 20, #4
