

Chieftain's Choice
(distilled at Rosebank)
20 year old

54%

This refill sherry butt-matured, cask strength variant of the Lowland classic Rosebank was distilled in December 1990. Floral and fruity on the nose. Sweet, with malt and black cherries, plus a hint of new leather. Quite viscous in the mouth; nutmeg, dark chocolate, and toffee on the palate. Walnuts and background dry sherry. The finish offers gentle oak and lots of spice.
