

**Wemyss The Hive 12  
year old**

**40%**

Wemyss has picked up where The Easy Drinking Whisky Company left off a few years back and are selling their mix of malt whiskies under a descriptive flavor name. This is the best the company has done so far. It is a delightfully soft, fruity, and dessert-like whisky with, yes, lashings of honeyed malt to make it a soft, succulent treat of a whisky. Wemyss comes of age. £36
