

**The Balvenie 40 year old (Batch #2)**

**48.5%**

The darkness of the hue of this, the second official release of a 40 year old from Balvenie, gives an indication of how intense the relationship between cask and spirit has been over its long sequestration. It emerges brimming with dense aromas such as tamarind paste, treacle, and Black Forest gâteau. Amazingly, on the palate there's a lift of vanilla-like sweetness before the heavier and drier elements close down on the finish. Incredibly limited; only 150 bottles produced.
