

**The Whisky Exchange  
Elements of Islay Br2  
(distilled at  
Bruichladdich)**

**49.3%**

The second bottling from Bruichladdich in this range shows the 'traditional' side of a distillery that is famed for the variety of its expressions. This, in other words, is Bruichladdich in its sweet, honeyed, gentle guise partnered with American oak to produce a mashed banana character, an unctuous palate, and a light touch of almond on the finish. Lovely.

£55 (500 ml)

—Vol. 21, #1
