

Glenglassaugh Aged 37

Years
56%

Glenglassaugh distillery has released a number of country-exclusive expressions recently, including this 37 year old single cask (470 bottles) for North America, under the Master Distillers Selection banner. Initially, cornflakes and sherry on the nose, with developing vanilla and soft toffee. Becoming very sweet. Rich and notably spicy on the palate, with dates and dark chocolate. Persistently spicy in the finish, with background citrus fruits.

—Vol. 21, #1
