

**Buffalo Trace
Experimental Collection
(Made with Rice)**

45%

Light and airy on the nose, and delicately creamy on the palate. Gently sweet personality, with caramel custard, vanilla bean, candy corn, and crème brulee. Shows more oak on the palate than the nose, with increasing dried spice notes on the finish. A peculiar whiskey, if not overly complex or inspiring. Price is per 375 ml.

—Vol. 21, #1
