

Drambuie

40%

Intriguing herbal/medicinal nose, with notes of pepper, grass, dried hay, dried flowers, orange peel, and licorice. Sweet but lively and light on the palate, as the orange explodes and the whisky boldly appears, wrapped in honey and herbs. The finish is herbal and sweet as the whisky strolls off into the distance. Overall, quite complex and rewarding.

—Vol. 21, #1
