

**Dalwhinnie Distillers**  
**Edition 1992**

**43%**

Equally honeyed; in fact here the finish (oloroso this time) seems to enhance the sweetness. Out comes Manuka honey, Greek yogurt, and heavy blossom notes while the sherry itself brings in a nutty, polished note. There's just a hint of sulfur when you add water (Dalwhinnie is a sulfury new make). The finish is long with some Brazil nut. Try frozen with dessert.

—Vol. 21, #2
