

**Tullibardine John Black**  
**6 Single Cask 1993**

**55.1%**

John Black is the veteran master distiller at Tullibardine distillery, and this is the sixth release to bear his name. The single malt in question was matured in bourbon barrel #10,002. Lemonade, dough, and maple on the nose.

Progressively more floral, parma violets, pear drops, a hint of cinnamon, and milk chocolate in time. Hazelnuts and allspice on the palate, while citrus fruits emerge, plus more milk chocolate and a suggestion of cloves. Medium length, with nuts and oak. £115
