40%

Part of Auchentoshan's new travel retail line-up, Springwood carries no age statement, contains younger whiskies than Heartwood, and has been matured in 100 percent ex-bourbon wood.

Acetone, tinned peaches in vanilla, and whipped cream on the floral nose. The palate is clean and fruity, initially citric, with emerging apricots in honey, and fresh spices. More spice in the finish, with focuses on milk chocolate, cinnamon, and a suggestion of Madeira. €42
