

The Famous Jubilee

40%

A tribute this time from Edrington Group in the form of this one-off blend of The Famous Grouse. The sherried element seems to have been upped as it shows lavish amounts of dark chocolate, black cherry, and a little treacle, with some orange peel and, with water, raspberry and heather. The palate shows a hint of smoke and builds through rich flavors to a toffee-accented finish. Subtle and long.
