

The Clan Denny Single Grain (distilled at Cambus) 35 year old 54.2%

Very typical of old grain whiskies: light in body and floral, with soothing vanilla and a mélange of tropical fruit (mandarin in syrup, honey-kissed pineapple, banana, and coconut cream). The better examples, like this one, are not dominated by dry oak on the finish. Subtle spices (ginger, cocoa powder) add intrigue. Old grain whiskies are hard to find but worth exploring. (A Park Avenue Liquor exclusive.)
