

**Dad's Hat Pennsylvania
White Rye**

50%

There's the sweet reek of new
make: barely ripe apricot and
peach, green grain, a hint of spice.
The spirit is surprisingly dry, with
shots of grain, pepper, and some
clean alcohol notes on the top, but
a well-mannered 100 proof indeed,
and easy to hold on the tongue.
There's a dry twist of anise on the
finish. An interesting — and
promising — white whiskey.
(Pennsylvania only.)
