

**Bakery Hill Cask  
Strength Peated Classic  
Single Malt**

**60%**

If you've tasted any Connemara Irish peated whiskey you'll know and love this. This whisky is the most improved in the Bakery Hill range, so that now with water the peat weaves patterns round the standard green apple, honey, and vanilla heart of the malt.

Australian peat is very different to that of Scotland, and here it is wispy, smoky, and sweet. A\$115
