

Talisker 30 year old

45.8%

As part of a rebranding of the entire Talisker range, Diageo has brought its Special Releases 25 and 30 year old cask strength expressions into the full-time fold, reduced in strength to 45.8%.

Sweet and buttery on the nose; soft fruits and fragrant malt, milk chocolate, and dry, crumbling peat. Citrus fruits (notably lemon), licorice sticks, black pepper, and scorched wood on the palate. Dry and oaky in the lengthy finish, with peat notes and allspice to the end.

£300
