A lovely example of what not chill-filtering can do for a whisky. Meticulous cask selection also helps play a part here. Very straightforward on the surface (no surprises), but with vibrant, well-defined flavors and a comforting creamy texture on the palate. Bright fruit defines this whisky (lime, kiwi, ripe melon, sultana, fresh peach), accompanied by honeyed malt, heather, and a hint of spice and smoke. A fun whisky, suitable for many moods and occasions. (A Park Avenue Liquor exclusive.)
