

Tomatin 15 year old

52%

The latest release from Tomatin distillery is a limited edition (3,150 bottles) 15 year old that has been matured in a combination of second-fill bourbon barrels and tempranillo wine casks (the grape of full-bodied Spanish reds like those from Rioja). The nose offers fruit cocktail and salted popcorn, while milk chocolate, vanilla, and nutty caramel notes emerge. Soft chocolate, bananas, and autumn berries on the slightly peppery palate. The finish is nutty, with lingering spice, peppery oak, and finally a lengthy, creamy sensation.
