

Knappogue Castle 1992 Vintage

43%

Straw color. In both aroma and flavor, the whiskey is clean and delicate, with notes of creamy malt, vanilla, and subtle fruit. An enjoyable "anytime" whiskey that slowly reveals its charms the more you get to know it. The third in a series of Knappogue whiskeys that were distilled at Ireland's Cooley distillery (the others being a 1991 and 1990 vintage). This one is fuller in flavor than the previous two, but not as distinctive. It's a very pleasant 'anytime' dram.
