

Wemyss Malts (distilled at Clynelish) "A Day at the Coast" 14 year old 46%

One of the latest single cask bottlings (354 bottles) from Wemyss Malts specifically for the U.S., "A Day at the Coast" was sourced from the East Sutherland distillery of Clynelish. Ozone, warm sand, and wild grasses on the nose, plus a hint of honey, grated ginger, and a freshly-opened box of milk chocolates. The viscous palate features rock salt, white pepper, coconut, green apples, and a squeeze of lemon. Medium to long in the finish, softly citric, and salty.

—Vol. 21, #3
