

Glenglassaugh Revival

46%

The first widely-available single malt from the revived distillery of Glenglassaugh, Revival comprises spirit from both first and refill casks, finished in first-fill oloroso sherry butts for a period of six months. Initially a little mashy, with beer-like aromas. Quite sweet and mildly sherried, with developing roasted malt notes, ginger, hazelnuts, and caramel. Leather and insistent spice on the palate, majoring in nutmeg and cinnamon. Straightforward in the finish; spicy and nutty. Probably a crackerjack in another dozen years!
