

**The Dalmore 1969 42  
year old**

**45.5%**

Initially filled into an ex-bourbon cask, then transferred into a Gonzales Byass oloroso 'Matusalem' sherry butt in 2005 for four years, before a final two years in a freshly-emptied bourbon barrel. The nose is initially floral, with overripe Seville oranges, figs, ginger, and cocoa powder. Peaches and almonds on the palate, before dark fruits and salted nuts appear. Drying oak is held at bay, and the final note is fat and figgy. Cask number 14; 233 bottles.

—Vol. 21, #3
