

### Cutty Sark Storm

40%

Cutty Sark master blender Kirsteen Campbell has hit the ground running and is playing a leading role in the revival of this iconic blend. Storm is a very different whisky than Tam o' Shanter. The nose is nuanced and light, with orange jelly and citrus juice; the palate is sophisticated, fruity, perfectly balanced, rounded, and gentle, with a high-percentage malt content evident in the mix. The finish is quite short but very more-ish. An amazing whisky for the price. £20 VALUE
