

Knappogue Castle 1994 Vintage

40%

The fifth vintage of Knappogue Castle and the second consecutive one comprised of whiskey from the Bushmills distillery. (The previous three were from the Cooley Distillery.) This one is very clean and quite soft on the palate, with a gentle sweetness throughout (fresh malt, vanilla, and honey).

Floral and citrus notes offer a subtle pleasantness throughout. Soft, soothing creamy vanilla finish with hints of confectioners sugar and lightly toasted marshmallow. This is a pleasant, versatile Irish whiskey to have in your bar to serve neat, on the rocks, or in smart cocktails.
