

John J. Bowman Single Barrel

50%

Triple distilled. (Twice in Kentucky, once in Virginia.) Gritty and gripping on the palate, showing dry, vibrant oak spice (particularly warming cinnamon and mouth-coating vanilla), but with candied fruit, toffee, pot still rum, and caramel-coated nuts to keep it interesting. Polished leather and tobacco on the finish. (A Julio's Liquors exclusive.)

—Vol. 21, #3
