

## Breaking & Entering

43%

Sourced from several undisclosed Kentucky bourbon distillers. Well-rounded and nicely balanced, with prominent spice (cinnamon, clove, evergreen, powdered vanilla), soft fruit (mandarin, coconut, apricot, hint of pineapple), and toasted nuts, all on a bed of caramel. Very versatile: mature enough for pleasurable sipping (but just), and youthful enough to add zing to a cocktail.

—Vol. 21, #3
