

Seagram's VO

40%

A nose like light caramel corn, with a hint of biscuit dryness and a smidgen of cinnamon sugar. Light in the mouth, sweet and a bit spicy, with some cinnamon heat toward the end. There is a bit of a roar right in the middle, where the grainy sweetness catches fire briefly, but mostly this is fairly meek stuff. Made for mixing, no real flaws.

—Vol. 21, #3
