**Provenance (distilled at**  
**Arran) 12 year old**  
**46%**

Distilled in February 2000 and  
matured in a single refill  
hogshead, this example of Arran is  
part of the Provenance range  
which highlights the season of  
distillation on the bottle label.  
Malt, salt, milk chocolate, vanilla,  
and developing citrus notes on the  
fragrant nose. Quite full in the  
mouth, fruity and zesty, with a hint  
of grist. Long and softly spiced in  
the finish, with almonds and a final  
suggestion of aniseed. £40
