**Provenance (distilled at**  
**Arran) 12 year old**

**46%**

Distilled in February 2000 and matured in a single refill hogshead, this example of Arran is part of the Provenance range which highlights the season of distillation on the bottle label. Malt, salt, milk chocolate, vanilla, and developing citrus notes on the fragrant nose. Quite full in the mouth, fruity and zesty, with a hint of grist. Long and softly spiced in the finish, with almonds and a final suggestion of aniseed. £40
